- 12) Atherton to Chester via Warrington, Widnes, Runcorn, Frodsham and Helsby.

On Saturday 21st May 2016 I walked from Atherton to Chester which took me 14 hrs. This means that I have walked over 500 miles this year and over 1000 miles since I started in 2015. Here are some pictures that I took of the churches I passed on my way to Chester Cathedral.
