What is The Basic Kindness Project?

Following the success of The Red Box Project, and the governments committment to fund free period products in all schools and colleges from early 2020 Leigh and District Soroptimist Club has taken the decision to continue to support out of school provision for period products in our community. This new project will also provide basic hygiene essentials for people in crisis and struggling, with the aim of improving their self-esteem and personal well-being.

What will be in the Basic Kindness Boxes?

- Roll On Deodorant
- Soap
- Body Wash
- Shampoo
- Conditioner
- Toothpaste
- Tooth Brush
- Cleansing Wipes

What can you do to help?

This project runs on community kindness, we need businesses to host a donation point so that members of the community can donate products to help those most in need.

How will these products be accessed?

Boxes containing a selection of products will be placed in Start Well Family Centres, High Schools and various Community Hubs where professionals know the people who need and will benefit from access to them. This project is about self-esteem and discretion will be used to maintain the recipients dignity.
